Specification

Displaying the lushness and balance that define great Cabernet Sauvignon, this inviting wine features layers of blackberry, black cherry, and blueberry, along with notes of dark chocolate and fresh spearmint. On the palate, the bright, juicy fruit flavors are framed by rich, refined tannins that carry the wine to a long, satisfying finish.

ABOUT

Like any gear head, I've always had a passion for automobiles from all over the world. Collecting everything from vintage and classic cars, to exotics and some of the rarest automobiles in the world has been a hobby and passion of mine for the last 20 years.

I started buying cars from all over the world. In the course of the many years that I've been doing this, I received a lot of inquiries to rent my collection out for movies, photoshoots, parties, you name it. Throughout the years, my cars have been featured in many films, advertising campaigns, photoshoots and more.

I'd like to personally welcome you to VintageCarCollector.com where you can see cars from my collection, cars that I also have for sale at wholesale prices and cars that are available to rent! Take a minute and look around, you'll see everything from the whacky to the rare and even concours quality cars! Regardless of the condition, year or make, I love cars through and through!
